**FOURTH STATUS REPORT OF THE UNITED STATES POSTAL SERVICE  
IN RESPONSE TO ORDER NO. 1852**  
(March 17, 2014)

On October 22, 2013, Postal Regulatory Commission issued PRC Order No. 1852, which directed the Postal Service to file a detailed status report describing the progress of the Climax Post Office discontinuance study within ten days from the date of the Order and every forty-five days following the initial report. This report responds to that directive. The Climax Post Office, located at 102 W. Broad Street, Climax, Georgia, remains in emergency suspension status. The Postal Service intends to resume retail operations. The Postal Service intends to sign a new lease agreement in the near term. Additionally, the Postal Service intends to resume the process of implementing POST Plan at the facility.

Respectfully submitted,
